#### **Nominated Person for Accounts**

Person responsible for fees payment

- At the time of making application for enrolment of students at the College, the caregivers are to sign the Application Form. Accounts will be directed to the nominated e-mail address, which is to belong to one of the signatories.
- Where a person other than one of the signing parents is accepting responsibility for payment of fees and charges for a student, that person must sign a separate agreement before the enrolment is accepted. Parents are responsible to keep the School informed of the mailing address for third parties.
- Parents must inform the Registrar or Principal of any changes in their relationship with each other since signing the enrolment application form (e.g. divorce, separation).
- Should the responsibility for payment of fees change at any time, a new nominated person's form must be completed.

**Insurance**

It is strongly recommended that parents check their health and general insurance policies to ensure adequate medical, personal property and liability insurance cover. Students at the College are covered by a Student Accident Insurance Policy. This policy provides a limited cover only (excluding all Medicare services including the Medicare gap).

**Withdrawal of student**

Notice of withdrawal requires one full term's notice. Failure to provide this notice will result in the charge of one term's tuition fees, as well as any additional levies and fees that are billed annually.
