YEAR ELEVEN After purchasing, students can access digital resources by logging into their MyConnect2 account. We recommend using your school email address to log in and check everything is set up before the school year begins. If you don't yet have the student's school email address, please check at school in the first week back. For login help and more information, visit: https://campion.com.au/myconnect2-login/ Some items on this Resource List allow you to choose your preferred version between a 'Print & Digital' bundle (these bundles include both the digital resource and a physical book and are clearly labelled as 'Print & Digital' in the Online Ordering Portal) OR you may choose a 'Digital Only' resource, which provides all components online. In some instances there is a 'Print & Digital' OR a 'Reactivation' option. Reactivation codes are only for students with a second-hand copy of the selected book, and won't work without it or with an incorrect edition. <u>Second Hand Texts:</u> Please be advised that if you purchase a second hand text and purchase the digital reactivation code on this booklist, the text will not activate on the College MyConnect2 platform as a digital text. If you require digital access for the second hand text, please contact the publisher directly to activate the digital access. <ul style="list-style-type: none"> Digital access at your school is provided via MyConnect2 – there's no need to use the code in your print book Digital texts are valid for 1 year (unless otherwise stated). Please order your digital items carefully ensuring the correct resources are selected for the students' subjects as items cannot be returned, refunded or exchanged for a change of mind. All textbooks itemised on this resource list display the <u>correct editions</u> . Previous editions do not align with the current curriculum, therefore second-hand copies or reactivation codes are not valid.						
SCHOOL RESOURCES Computer device, charger, keyboard, stylus pen, hard case & soft carry case are loaned to each student by the College, which is included in the IT Device Fee.
