BRTTC

Bunbury Regional
Trade Training Centre

17 SCHOOLS • 3 CAMPUSES • 1 VISION

Under the Federal Government Trade Training Centres in schools program, schools in the Greater Bunbury area received over \$10.5 million in funding to establish three Trade Training Centres.

Purpose built, industry standard facilities now operate from Bunbury Catholic College site, Eaton Community College site and Manea Senior College site.

Students from the 17 alliance schools can apply to study Vocational courses delivered by industry leading Registered Training Providers.

Our Consortium schools are:

-  Australind Senior High School
-  Bunbury Cathedral Grammar School
-  Bunbury Catholic College
-  Bunbury Senior High School
-  Bunbury Baptist College
-  Cornerstone Christian College
-  Dalyellup College
-  Eaton Community College
-  Georgianna Molloy Anglican School
-  Grace Christian School
-  Harvey Senior High School
-  Hope Christian College
-  Manea Senior College
-  Newton Moore Senior High School
-  Our Lady of Mercy College
-  South West Community College

Note: Fees and delivery days are based on 2026 information and will be subject to confirmation prior to enrolment.

52887WA – Certificate II in Plumbing

COURSE DESCRIPTION

Provides practical skills and insight into the plumbing and gas fitting trades. This program offers students the chance to learn part of a first year apprenticeship in plumbing without having to be employed as an Apprentice. Students are offered both classroom learning, hands on skills in our simulated work environment and on the job experience as part of their work placement.

PRE-REQUISITES

Minimum completion Year 10, resume and application form, basic aptitude test (English and Maths), interview, Australian citizen or permanent resident, good attitude.

WHY CHOOSE THIS COURSE

Remain enrolled in your current school, whilst completing Year 11 or 12. Attend training one day per week in the Trade Training Centre under the direction of MPA Skills trainers and one day per week work experience with a qualified tradesperson. MPA Skills will provide assistance to schools for sourcing a Licensed Plumber for work related activities (find Host Employers for work experience).

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

On completion of a Certificate II in Plumbing 52887WA, employment opportunities include Builder's labourer, Construction Assistant or progression into an Apprenticeship as a Plumber or Plumber – Gasfitter. Further studies can lead to Air Conditioning Technician, Fire Services Supervisor, Contractor, Specialist Hydraulic Designer and more!

PATHWAYS FROM THE QUALIFICATION

Full-time indentured apprenticeship and further studies in technical or specialist areas.

COST/FEE PAYMENT OPTIONS

If required, payment options are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
It is anticipated that there will be no fees for this course	BRTTC fee of \$320 (plus GST)	1 day / week over 3 terms plus WPL	Thursday	158 hours over the duration of the course. Students are covered under MPA Skills Insurance. MPA Skills will assist schools to find and organise the work placement for the students which must be completed with a qualified tradesman.

Fees are based on 2026 fees - 2027 fees are to be confirmed.

52893WA – Certificate II in Building and Construction (Pathway - Trades)

COURSE DESCRIPTION

Provides practical skills and insight into the construction industry, particularly in the brick and blocklaying field, and the carpentry and joinery field. This course aims to provide students with an insight into a career in the construction industry.

Students can expect to: learn about safe working practices, learn about working effectively in the building industry, gain basic practical hand skills, handle tools and equipment in a safe working environment and effective workplace communication.

PRE-REQUISITES

There are no pre-requisites for this course, however there is an application process for the CTF Funded Scholarship.

WHY CHOOSE THIS COURSE

Do you like practical learning? Do you want to learn new skills? Are you interested in the construction industry? This could be your first step towards a career in the construction industry.

- Complete your White Card qualification
- Learn about safe work practices
- Aim to become competent in practical skills
- Utilise your knowledge on site during work placement opportunities.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

Completing the course could be your first step towards an apprenticeship within the Carpentry and Joinery or Bricklaying/Blocklaying trades. Get a head start and have industry knowledge before you commence an apprenticeship.

PATHWAYS FROM THE QUALIFICATION

The course contains generic core units such as; work effectively and sustainably in the construction industry; apply OHS requirements; workplace communication; conduct onsite work place learning and more. These generic units can also be relevant to other trade focused areas.

COST/FEE PAYMENT OPTIONS

If required, payment options are available.

RT0 fees	Resource fees	Course duration	Days of week	WPL hours required
It is anticipated that there will be no fees for this course. CTF also fund uniforms and PPE.	BRTTC fee of \$320 (plus GST)	2 days / week over 3 terms (additional WPL may be required)	Thursday and Friday	110 hours in total. Skill Hire to cover insurance. Skill Hire/school to organise work placement. WPL is a TP requirement and must be in the construction industry.

Fees are based on 2026 fees - 2027 fees are to be confirmed.

AUR20520 – Certificate II in Automotive Servicing Technology

COURSE DESCRIPTION

This qualification covers the skills and knowledge related to servicing light vehicles. This qualification is typically used to develop workers who are performing vehicle service functions in an automotive environment and would perform a range of mechanical operations involving known routines, methods and procedures.

PRE-REQUISITES

There are no pre-requisites for this course.

WHY CHOOSE THIS COURSE

This course will suit students who are wanting to go into a Mechanical Apprenticeship in either Light Vehicle or Heavy Mechanical. This course will give you a good understanding and foundation for the training that will be required for your Apprenticeship.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Automotive Assistant
- Apprentice Mechanic

PATHWAYS FROM THE QUALIFICATION

Students completing this qualification can pursue employment opportunities in the industry or use the qualification as a stepping stone into further studies at a Certificate III level and higher. Alternatively, additional Certificate II qualifications in the Automotive industry can be explored. Possible apprenticeship in Automotive field or direct employment assisting servicing of vehicles in an automotive service or repair business.

COST/FEE PAYMENT OPTIONS

If required, payment options are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$3250	BRTTC fee of \$320 (plus GST)	1 day / week over 3 terms	Monday or Tuesday	Nil, but highly recommended

Fees are based on 2026 fees - 2027 fees are to be confirmed.

AUR20720 – Certificate II Automotive Vocational Preparation

COURSE DESCRIPTION

This qualification reflects the role of individuals who perform a limited range of tasks relating to identifying and inspecting mechanical and electrical components and systems of light and heavy vehicles. Through theory and practical course work you will learn to:

- Identify mechanical and electrical systems
- Use and maintain tools and equipment
- Inspect, test and service batteries
- Install vehicle lighting and wiring systems

PRE-REQUISITES

There are no pre-requisites for this course.

WHY CHOOSE THIS COURSE

This course is suited to those interested in pursuing a career in the automotive industry.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Apprentice mechanic
- Automotive assistant

PATHWAYS FROM THE QUALIFICATION

Students completing this qualification can use this qualification as a pathway into further studies at Certificate III level. This qualification includes skills suited for entry into an automotive mechanic apprenticeship.

COST/FEE PAYMENT OPTIONS

The following payment options are available: Direct credit, cheque/Money order by mail or in person, cash in person, EFTPOS, credit card in person or over the phone. Interest free payment plans are also available.

RT0 fees	Resource fees	Course duration	Days of week	WPL hours required
\$3250	BRTTC fee of \$320 (plus GST)	1 day / week over 3 terms	Thursday or Friday	Nil, but highly recommended

Fees are based on 2026 fees - 2027 fees are to be confirmed.

52890WA – Certificate II in Community Health and Wellbeing

COURSE DESCRIPTION

Certificate II in Community Health and Wellbeing is an opportunity for secondary school students to learn the foundational skill and knowledge of health and community services sector. Meaningful work experience with local organisations will form an essential part of the qualification, ensuring students can make an informed decision about their career pathway while gaining valuable hands-on experience in real workplaces.

PRE-REQUISITES

There are no pre-requisites for this course.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

The nationally recognised and accredited qualification provides you with entry level industry specific skills and knowledge to help you get into a traineeship within the Community Services or Health sectors, or gain employment in the Community Services or Health Sector.

You could work in allied health, Aboriginal and/or Torres Strait primary healthcare or Indigenous environmental health in areas including aged care or disability support in a community care setting. The focus of this training is on working with local communities to provide support, services and programs.

PATHWAYS FROM THE QUALIFICATION

Upon successful completion students are able to progress on to further studies in the many ever evolving and exciting areas of health and community services.

COST/FEE PAYMENT OPTIONS

If required, payment options are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$2400 however funded places may apply	BRTTC fee of \$320 (plus GST)	1 day / week over 3 terms plus WPL	Monday	110 hours over the duration of the course.

Fees are based on 2026 fees - 2027 fees are to be confirmed.

HLT21020 – Certificate II in Medical Service First Response

COURSE DESCRIPTION

Students will learn the role of first medical response workers or volunteers who provide initial care to patients. These people provide basic First Aid and emergency responses in the pre-hospital/out of hospital environment.

PRE-REQUISITES

There are no pre-requisites for this course however it is recommended that students have sound literacy and numeracy skills.

WHY CHOOSE THIS COURSE

This course is ideal for students considering a hands on practical course and looking for a career in First Aid or Ambulance work. Students are taught by fully qualified lecturing staff with Paramedic and First Aid industry experience providing students with relevant training. We work closely with each student, customising training for the individual. Scenarios, role playing in a clinical environment, guest lectures and excursions are all part of the training with the latest equipment.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Community based first responder
- Emergency medical responder (mining sector)
- Workplace first responder
- Volunteer first aider

PATHWAYS FROM THE QUALIFICATION

The units completed in this course may provide credit towards a range of qualifications from Certificate III level and above, allowing students to continue with their First Aid / Health training.

A pathway from Certificate II in Medical Service First Response year 11, then onto Certificate IV in Health Care for year 12, with the Diploma in Paramedic Science available from there and onto University entrance second year ECU Paramedicine has been developed.

Students receive 7 unit credits continuing onto the Certificate IV in Health Care into year 12.

COST/FEE PAYMENT OPTIONS

Resource fees include: course modules, text book, uniforms. Payment plans available for direct payments.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$2750	BRTTC fee of \$320 (plus GST). \$190 books and uniforms.	1 day / week over 3 terms	Thursday	WPL is not compulsory.

Fees are based on 2026 fees - 2027 fees are to be confirmed.

MEM20422 – Certificate II in Engineering Pathways

COURSE DESCRIPTION

This qualification is intended for students interested in exposure to an engineering or related working environment. This qualification will equip graduates with knowledge and skills which will enhance their prospects of employment in an engineering or related working environment.

PRE-REQUISITES

There are no pre-requisites to this course.

WHY CHOOSE THIS COURSE

The qualification is intended for students interested in exposure to an engineering or related working environment with a view to entering into employment in that area. The Certificate II in Engineering gives excellent skills development and the basic underpinning knowledge required for a career in this field. The course will provide a significant advantage for people seeking an apprenticeship.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

The aim of this course is to achieve an apprenticeship or work in a related industry area.

PATHWAYS FROM THE QUALIFICATION

A Certificate III in Engineering (various streams) or similar apprenticeship qualification, pre-apprenticeship course or indentured apprenticeship in Engineering.

COST/FEE PAYMENT OPTIONS

If required, payment options are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$3250	BRTTC fee of \$320 (plus GST)	1 day/ week over 3 terms.	Thursday or Friday	Not compulsory but recommended. School covers insurances. School/student to organise placement.

Fees are based on 2026 fees - 2027 fees are to be confirmed.

SIT20322 – Certificate II in Hospitality

COURSE DESCRIPTION

This qualification reflects the role of individuals who have a defined and limited range of hospitality operational skills and basic industry knowledge. They are involved in mainly routine and repetitive tasks and work under direct supervision.

This qualification provides a pathway to work in various hospitality settings, such as restaurants, hotels, motels, catering operations, clubs, pubs, cafés, and coffee shops.

PRE-REQUISITES

There are no pre-requisites for this course

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

On completion of this course, you could be employed as a:

- Restaurant Worker
- Catering Assistant
- Hotel Receptionist
- Tourism Desk Staff
- Beverage Assistant

PATHWAYS FROM THE QUALIFICATION

Certificate II in Hospitality is in the Tourism, Travel and Hospitality pathway. By completing this course, you may gain knowledge and skills to persist a career in the following job streams;

- Accommodation
- Cooking and Catering
- Gaming

COST/FEE PAYMENT OPTIONS

If required, payment options are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$3250	BRTTC fee of \$320 (plus GST)	1 day / week over 3 terms	Thursday or Friday	WPL is not compulsory but highly recommended

Fees are based on 2026 fees - 2027 fees are to be confirmed.

UEE22020 – Certificate II in Electrotechnology (Career Start)

COURSE DESCRIPTION

The qualification is designed to provide participants with industry specific training to gain skills, knowledge and behaviours to enable transition into an indentured apprenticeship in the Electrotechnology Industry.

PRE-REQUISITES

All applicants are required to undertake a literacy and numeracy pre-selection test. The test is specific to transposition of formula, trigonometric ratio and algebra.

WHY CHOOSE THIS COURSE

The qualification covers competencies fulfilling the requirements of a work entry program and provides grounding in safety, opportunity to develop high level individual and team communication skills and the undertaking of work placement.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

Electrotechnology and Telecommunications.

PATHWAYS FROM THE QUALIFICATION

Pre-apprenticeship course or indentured apprenticeship in Electrotechnology field. Certificate III in Electrotechnology (Electrician).

COST/FEE PAYMENT OPTIONS

If required, payment options are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
It is anticipated that there will be no fees for this course	BRTTC fee of \$320 (plus GST)	2 days /week over 3 terms (includes WPL)	Monday and Tuesday or Thursday and Friday	162 hours. Schools to cover insurance. School/student to organise work placement. WPL is a TP requirement and must be completed with a registered Electrical Contractor.

Fees are based on 2026 fees - 2027 fees are to be confirmed.

AVI30419 – Certificate III in Aviation (Remote Pilot)

COURSE DESCRIPTION

The Certificate III in Aviation (Remote Pilot) AVI30419 is the highest qualification available for those who wish to develop industry leading skills within the remotely piloted aircraft system (RPAS) industry. Along with achieving your Certificate III level qualification in RPAS, you will also obtain a Civil Aviation Safety Authority (CASA) Remote Pilot Licence (RePL).

PRE-REQUISITES

Minimum age of 15 years and completion of Year 10 or equivalent.

WHY CHOOSE THIS COURSE

Obtaining your Remote Pilot License (RePL) is the first step to being able to operate remotely piloted aircraft systems (RPAS), otherwise known as drones or UAV's for commercial or business purposes without many weight or operating restrictions. The unmanned aviation industry is set to grow significantly in the next decade and remote piloted aircraft (RPA) have already begun replacing manned aircraft in many roles.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

Surveying, inspection, construction, media, insurance, mining and resources, emergency services

PATHWAYS FROM THE QUALIFICATION

Students completing this qualification can pursue employment opportunities in the industry or use the qualification as a steppingstone into further studies at a Certificate IV, Diploma or Advanced Diploma level. Alternatively, additional Certificate III qualifications in Aviation can be explored, e.g Senior Flight Attendant, Cabin Crew, Helicopter Rescue Crewman.

COST/FEE PAYMENT OPTIONS

If required, payment options are available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
It is anticipated that there will be no fees for this course.	BRTTC fee of \$320 (plus GST)	1 day / week over 3 terms	Wednesday	Nil required

Fees are based on 2026 fees - 2027 fees are to be confirmed.

BSB30120 – Certificate III in Business

COURSE DESCRIPTION

This qualification looks at the fundamentals of team management and administration in a business environment. This course also focuses on operational planning and looking at ways for continuous improvement, personal development and innovation. It is suitable for students that want to gain insight and skills to pursue a career in business.

PRE-REQUISITES

There are no pre-requisites for this course.

WHY CHOOSE THIS COURSE

All successful organisations and businesses need effective management and administration. Leaders and Administrators need to be agile and responsive to a changing and diverse workplace. Workforces can take on the personality of their leadership team, so by having strong leadership skills and understanding of how to apply these correctly, you can be the major factor that makes everything work for a business or organisation.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Customer Service Adviser • Team Leader • Personal Assistant
- Business Administrator

PATHWAYS FROM THE QUALIFICATION

Further study options include a range of Certificate IV courses including Business, Customer Engagement, Work Health and Safety or Leadership and Management.

COST/FEE PAYMENT OPTIONS

The following payment options are available: Direct credit, cheque/Money order by mail or in person, cash in person, EFTPOS, credit card in person or over the phone. Interest free payment plans are also available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$1400	BRTTC fee of \$320 (plus GST)	1 day / week over 3 terms	Thursday	Not compulsory but recommended. School covers insurances. School/student to organise placement.

Fees are based on 2026 fees - 2027 fees are to be confirmed.

CHC30121 – Certificate III in Early Childhood Education and Care

COURSE DESCRIPTION

This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education Care Services National Regulations and the National Quality Standard. They support the implementation of an approved learning framework, and support children's wellbeing, learning and development. Depending on the setting, educators may work under direct supervision or autonomously.

PRE-REQUISITES

There are no pre-requisites for this course.

WHY CHOOSE THIS COURSE

This course is flexible and you will receive training and assessment from Lecturers who have relevant industry experience. The RTO prides itself on the support and guidance it offers its students. They work in partnership with students, school VET coordinators and parents to ensure that students reach their potential.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Educator • Early childhood educator • Nanny • Family day care educator
- Outside school hours care educator • Family day care coordinator
- Service Director/Centre Director

PATHWAYS FROM THE QUALIFICATION

Upon completion of this course, you could continue on to complete the Diploma in Early Childhood Education and Care or any other Certificate IV or Diploma in the Community Services area.

COST/FEE PAYMENT OPTIONS

The following payment options are available: Direct credit, cheque/Money order by mail or in person, cash in person, EFTPOS, credit card in person or over the phone. Interest free payment plans are also available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$1750 plus \$150 First Aid certificate if required	BRTTC fee of \$320 (plus GST)	1 day / week over 3 terms	Thursday	160hrs within a childcare organisation outside of course date. School to cover insurance. Student/school to organise work placement (to be approved by RTO).

Fees are based on 2026 fees - 2027 fees are to be confirmed.

CHC30221 – Certificate III in School Based Education Support

COURSE DESCRIPTION

This qualification reflects the role of workers in a range of education settings, including public and independent schools and community education settings, who provide assistance and support to teachers and students under broad-based supervision. This level is appropriate for support workers, case workers and client contact officers.

PRE-REQUISITES

There are no pre-requisites for this course.

WHY CHOOSE THIS COURSE

This course is flexible and you will receive training and assessment from Lecturers who have relevant industry experience. The RTO prides itself on the support and guidance it offers its students. They work in partnership with students, school VET coordinators and parents to ensure that students reach their potential.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

- Aboriginal and Islander Education Officer
- Education Assistant

PATHWAYS FROM THE QUALIFICATION

Employment OR further studies in the Education Sector. Upon completion of this course, you could continue on to complete the Certificate IV in Education Support CHC40213.

COST/FEE PAYMENT OPTIONS

The following payment options are available: Direct credit, cheque/Money order by mail or in person, cash in person, EFTPOS, credit card in person or over the phone. Interest free payment plans are also available.

RTO fees	Resource fees	Course duration	Days of week	WPL hours required
\$1450	BRTTC fee of \$320 (plus GST)	1 day / week over 3 terms	Monday or Wednesday	100hrs within the 3 terms and the course schedule. School to cover insurance. Student/school to organise work placement (to be approved by RTO). WPL is a mandatory unit and assessment requirement and must be in an education environment.

Fees are based on 2026 fees - 2027 fees are to be confirmed.

CHC32015 – Certificate III in Community Services

COURSE DESCRIPTION

This qualification applies to community work delivered through a broad range of services which provide support to individuals and groups. This level is appropriate for support workers, case workers and client contact officers.

PRE-REQUISITES

There are no prerequisites to complete this course.

WHY CHOOSE THIS COURSE

This course is flexible and you will receive training and assessment from Lecturers who have relevant industry experience. The RTO prides itself on the support and guidance it offers its students. They work in partnership with students, school VET coordinators and parents to ensure that students reach their potential.

52831WA – Certificate IV in Preparation for Health and Nursing Studies

COURSE DESCRIPTION

This course is designed to provide students with the skills and knowledge to ease comfortably into studying health science, with an understanding of anatomy, physiology, microbiology, infection control, applied mathematics, physics and chemistry. This course will also improve your study skills and knowledge for a smoother transition into university.

PRE-REQUISITES

Students need to have passed OLNA and have a C minimum in English, Maths and Science.

WHY CHOOSE THIS COURSE

This course provides you with the foundation knowledge on how the human body functions as well as identifying situations where it does not function. Students will feel comfortable with understanding disease and the processes that must take place for our body to remain balanced. For any student that would like to study health science, this course will provide you with a step in the right direction.

EXAMPLES OF EMPLOYMENT/CAREER OPPORTUNITIES

Successful completion of this qualification provides you with the entry requirements for further study in the health area.

PATHWAYS FROM THE QUALIFICATION

The Certificate IV in Preparation for Health and Nursing Studies provides academic knowledge for entry into any VET or University course involving the human body. This could include nursing, forensics, microbiology, massage, sports science, paramedics, health care etc.
